

Exhibitor FAQ's

- **Are Trade Stand prices staying the same?**

Yes we are keeping the trade stand prices exactly the same as last year's show, in fact we have kept exhibitor costs the same for the last 5 years!

- **Will the standard pitch sizes and allocation of passes be the same?**

Yes exactly the same procedure as before. Outside trade stands are still booked according to the Frontage required and this must be booked as a minimum of 3m, and additional metres added thereon. You will get 12 metres depth. You will receive two personnel and one vehicle pass per 3m frontage booked. Additional passes and tickets will be available in advance at reduced rates. Food Hall spaces will be booked in the same way as last year.

- **Is the layout staying the same – will I be able to keep my pitch location in the show?**

There will inevitably be some changes to the layout of the show. Please refer to our show layout plan. If you have a specific location request for your trade stand, please highlight this on your map enclosed with your application form.

- **Will I still be able to set up for two days prior to the show?**

The Show will be open to the public from 8am on Saturday 22nd and Sunday 23rd April and then we would ask you to have vacated the site by midday Monday 24th April.
