@outdoorprofessionalproducts

Sourcing cutting-edge products for outdoor professionals in arboriculture, forestry, orchard & viticulture, gardening, farming, landscaping and bushcraft. Based in Wymondham, Norfolk, we champion the supply of blade products for a variety of pruning, logging and digging tasks. Our popular range includes Trojan handsaws and Stallion telescopic polesaws to secateurs, loppers and axes. We focus on being the best at what we do and not necessarily the biggest. We do so by developing performing products that offer genuine value for money with a service that goes the extra mile. Every product supplied has a professional guarantee and a back up to readily available spare parts. For the garden enthusiast to the professional, check out our online store for Christmas special offers with FREE UK mainland delivery.

Archangel Distilleries

<https://www.archangel-distilleries.co.uk>

Handmade in Norfolk on our family farm, Archangel Gins are packed with richly flavoured botanicals. Our Classic gin is a big, complex gin. On the nose, delicious juniper carries top notes of sea-buckthorn, verbena and orange peel giving a rich and zesty fragrance. Rooty botanicals including cinnamon, angelica, ginger and cardamon provide a long and satisfying finish.

Our Rhubarb gin liqueur is packed with fresh Rhubarb grown specifically for us at Beeston in Norfolk. Both the gin and the Rhubarb gin liqueur 50cl bottles come in beautifully decorated boxes and make heavenly Christmas gifts.
